

Chemung River Friends Presents

Nature Strollers 2018

Sponsored by Chemung Valley Audubon Society

These short and easy walks are designed to introduce parents, grandparents and toddlers to area trails, parks, ponds, rivers, and streams where the public can hike and enjoy outdoor recreation and nature's beauty. Each walk includes an educational theme, snacks, and water.

Please dress for the weather—walks are cancelled only for thunder/lightning!

The free walks are sponsored by the Chemung Valley Audubon Society. For more details about these walks, including directions to each site, please visit <http://www.cvaudubon.org/calendar.html>.
